Greetings, lucky recipient of this party pack,

MANY TREMENDOUS THINGS ARE IN STORE AND WONDERS Await . . .

We’re celebrating 100 years since the birth of the world’s number one storyteller. It’s going to be more giant than James’s peach, more enormous than a crocodile and more marvellous than George’s medicine! Join the biggest global birthday party ever on 13 September 2016. There are oodles of ideas inside this pack to help you throw a splendidorous party – whether you’re celebrating in a bookshop, school, library or a living room.

Use the bunting, stickers and templates to decorate, and create a jump-squiffling display of all things Roald Dahl! Don’t forget to indulge in a Roald Dahl movie or sing-along. And, of course, remember to don your Willy Wonka top hat or your fantastic bushy Mr Fox tail for a Dahlicious Dress-Up Day, to raise money for Roald Dahl’s Marvellous Children’s Charity* which helps makes life better for seriously ill children.

GLORIUMPTIOUS GAMES

Here are some PHIZZ-WHIZZING birthday games for your party. These games are perfect for groups of 10–15 Oompa-Loompas or human beans. If you think you might have more than that at your party, separate them into groups and make sure there’s enough space so that everyone can play safely.

MRS TWIT’S WORMY SPAGHETTI

See if you can pick the worms out of the spaghetti!

ALL YOU’LL NEED IS:
A plate of cooked spaghetti, jelly worms, a blindfold and something to time yourself with!

AIM OF THE GAME:
See how many jelly worms you can get out of the plate of spaghetti in a minute! If you’re feeling really daring, don’t use your hands. Yum!

BOGGIS, BUNCE AND BEAN

Here’s a game to see whether or not you could outwit the nasty farmers in Fantastic Mr Fox!

ALL YOU’LL NEED IS:
Some space, everyone to sit in a circle and someone to be Mr Fox!

AIM OF THE GAME:
Mr Fox walks round the circle tapping each person as either ‘Boggis’ or ‘Bunce’ until he decides to tap someone and say, ‘Bean.’ Bean must then try to catch Mr Fox before he makes it back to Bean’s seat!

STUCK IN THE MUD

How would you fare if you lived in ‘the muddiest swamp’ in Africa with the Enormous Crocodile?

ALL YOU’LL NEED IS:
Space, someone to be the Enormous Crocodile, and a group to be the villagers he wants to gobble up!

AIM OF THE GAME:
When the Enormous Crocodile touches your hand you must freeze! The other players must free the ‘stuck’ villager by crawling beneath their legs like a crocodile. The game ends when everyone is stuck in the mud.
PIN THE NEWT ON MISS TRUNCHBULL!

Can you pin this newt on to Miss Trunchbull on your Roald Dahl poster?

‘Never do ANYTHING BY HALVES IF YOU WANT TO GET AWAY WITH IT.
Be outrageous.
GO THE WHOLE HOG.’

THE BFG DRAW-ALONG
WITH QUENTIN BLAKE

Ever wondered how to draw like Quentin Blake? Now you can. Just follow these simple instructions from the illustrator himself.

1. How to draw
   A Portrait of the BFG
   You start off with an oval (leave plenty of space all round it)

2. Now you need a bent line for the nose
   a curved line for the mouth
   and two dots for eyes

3. Next, some curved lines and straight lines for the neck and shoulders

4. Now we add some lines as wrinkles, because the BFG is terribly old

5. Then some more little lines for hair and eyebrows

6. And last of all (this is the best bit) the EARS
   If they are flat (like ours) you need two more over

7. BUT the BFG's ears are wonderfully moveable, and can be sticking out, like two circles

8. and sometimes they do unexpected things — so this is where you can use your imagination...
   (Seat for Sophie)
   (Caterpillar talking)
   and what else —?
